"A Little Night Music"

Summer Band Concerts are a Tradition in Mattapoisett and Marion

Mozart would certainly be proud.

Both Mattapoisett and Marion have taken the theme of one of his most famous works — *Eine Kleine Nachtmusik* (literally translated: "A Little Night Music") — and made it an annual summer tradition in the small coastal towns. Usually kicking off on or near the inherently American summer celebration of July 4, a series of weekly band concerts have become part of the fabric of the two summer communities.

"If music be the food of love, play on," wrote Shakespeare in *Twelfth Night*. If that's the case, residents of Mattapoisett and Marion will be able to gorge on a variety of musical dishes during the upcoming midsummer nights' sessions.

"They've been part of the tradition in town for well over 60 years," said Selectmen Chairman John N. DeCosta. "I can remember my parents bringing me to the band concerts when I was very young and we would stretch out on a blanket and enjoy the music."

Until last year, Mattapoisett had been funding their annual band concerts out of town monies. But, as is the case with many area communities, budget constraints forced them to cut back on less essential activities, and the band concert became a cause for The Friends of the Mattapoisett Town Band Committee.

This volunteer group managed to raise money for the first time last year through donations and the sale of collectible badges which depict historic town sites. Last year's badge displayed an elegant portrait of Shipyard Park and the gazebo where the concerts are held. This year's badge is a scenic view of the Ned's Point lighthouse. Both images were culled from commemorative tiles fashioned by Screencraft on Cape Cod for the town's centennial observance.

Under the direction of Craig Lilly of New Bedford, the 45-50 member band is comprised of an equal mix of student, amateur and professional musicians. Mr. Lilly noted that even some friends and family members have been known to join in.

"There are many nights when other people will sit in and play with the band," he said. "It's like a close-knit family group and the Wednesday night concerts have really become a highlight for the townspeople."

Having taken over from former conductor John Pandolfi — under whom he once played — Mr. Lilly has been proudly conducting the Mattapoisett Concert Band for the past 9 years. As a music teacher

with the Dartmouth Public School department, Mr. Lilly cited his regular summer gig as something he regularly anticipates.

"The response has been super from all residents of the town," he said. "Last year we raised enough money through private donations to be able to purchase new music and provide the weekly concerts for two months."

Marion has been fortunate enough to keep funding their annual summer band concerts out of the town budget — appropriating some \$4,500 for this season which will be combined with a grant from the Massachusetts Arts Lottery Council.

According to Treasurer James Hebard, the Marion Concert Band has been playing every summer since well before 1936, and the annual summer series has become a highlight for residents who turn out by the hundreds for the Monday evening entertainment at Island Wharf.

"We have as many as 300 to 350 people who show up," Mr. Hebard said. "I think part of the attraction is the different themes we offer and the variety of music we play," he said. "And we have so many different players in terms of age and where they come from."

Ably conducted by Tobias Monte of Somerset, MA since 1985, the band boasts 18 regular volunteers and 22 professional musicians, with members from as far as Barrington and Warren, RI.

In his report on last year's successful season, Mr. Monte noted that residents continually compliment him and band members on their performances.

"We had several compliments from audience

The illustration was taken from an original tile designed for the anniversary of the town's incorporation and is one of four that will be used to raise money for the summer concerts.

members throughout the season," he reported. "People were saying how much they enjoyed a particular program or theme. One of the managers of the event told me he enjoyed listening to our concerts from his boat in the harbor on Monday evenings. Evidently the sounds of music floating over the water made for a relaxing evening scenario."

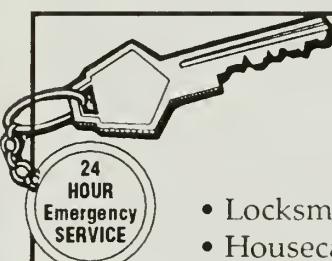

With the tell-tale signs of the official summer season blooming all around, there are at least two more indications that both Mattapoisett and Marion are in full swing. Simply join the Marion Concert Band every Monday evening, beginning with a special July 3 concert and continuing every Monday from July 12 through the end of August at 7:30 pm at the Robert F. Broomhead Memorial Bandstand on Island Wharf ... or see the Mattapoisett Concert Band perform every Wednesday evening at 7:30 pm beginning July 7 through August at the gazebo in Shipyard Park.

- As of this week, the Friends of the Mattapoisett Concert Band have reported that this year's fundraiser badges are now available through committee members or at Town Hall. The badge features Ned's Point Lighthouse and can be obtained for a tax-deductible donation of \$10 or more.

Anyone who would like to make a personal donation to support the concerts can do so by sending a check made out to "The Town of Mattapoisett" and marked for "Band Concerts" to: Band Concert Committee, c/o John DeCosta, Town Hall, Mattapoisett, MA 02739.

- The 1993 Marion Band Concert season will begin with a special performance of patriotic music on Saturday, July 3. This special Independence Day eve concert will be held at the usual Island Wharf location beginning at 7:30 pm.

The program will include: "The Star Spangled Banner," "National Emblem March" by E.E. Bagley, "America" arranged by J. Cacavas, "Tara Theme" from *Gone With the Wind*, by M.

After the signing of the payroll and bills, the board approved the minutes of the June 15 meeting and the June 15 executive session. The board next considered the following licenses, permits, and correspondence for the week:

- Auctioneer License granted to Walter Murphy for the purpose of auctioning Viveiros' North Street property on June 23, 1993, at 10:00 am. The request was approved unanimously.

- Replacement of the appointment slip for the Natural Resource Officer, Brian Nunes. The board unanimously agreed to replace the lost slip.

- A Special One Day All-Alcoholic Beverage License to St. George's Greek Orthodox Church for their annual Holy Ghost Picnic to be held on July 11, 1993.

- A request from Fire Chief Ronald E. Scott to appoint Scott Neumann of 94 Marion Road as a firefighter, which the board unanimously approved.

- A request from Maurice "Mudgy" Tavares for a Dance Permit to conduct Teen Dances from June 24 through September 6 on Thursday between 7:30 and 10:30 pm. The permit was approved unanimously.

- The board next sent a letter to the Chief of Police regarding the opening of the town beach and Reservation Golf Club's mowing hours.

Chairman DeCosta informed the board that the Friends of the Mattapoisett Band Concerts buttons depicting the Ned's Point Light House are now available for a \$10 donation. The Selectmen each donated \$25 towards the continuation of these traditional wharf side concerts where professional and amateur musicians share their artistry — under

agreed to contact Andy Santos in hopes of "putting them to use somewhere."

Executive Secretary Carol Adams reported that shellfish bids were opened on Friday, June 18 at 3:00 pm in which the only bidder was Howard L. Mallowes & Son, Inc. of Marion. Mallowes bid was: Chowder size at \$15.00 per bushel; Cherrystone at \$20.00 per bushel; and Little Necks at \$60.00 per bushel. Chief Procurement Officer John N. DeCosta approved the award of this bid to Howard L. Mallowes & Son, Inc.

Ms. Adams also reported on her attendance at the American for Disabilities Act Conference with Building Inspector Andy Santos on Monday, June 21. The Town of Mattapoisett falls under ADA Title II for State County and Municipal which stresses a reasonable modification of accommodations for existing public buildings.

The Town Hall Offices will be closed July 5 in observance of the Fourth of July holiday.

At 7:50 pm, Selectman Mahoney moved that the board go into Executive Session to discuss the town's negotiating position with the Police Brotherhood. There being no further matters to come before the board, Chairman DeCosta noted that they would come out of the Executive Session only to adjourn for the evening.

Marion Selectmen's Meeting

June 22, 1993

A regular meeting of the Marion Board of Selectmen was called to order on Tuesday, June 22 at 7:00 pm by Chairman James S. Dougall. Also present were Selectman Albert E. Winters, Selectman Loretta E. Schaefer, Executive Secretary Ray E. Pickles, and Secretary Helene Craver.

After signing the warrant for the week and approving various licenses and permits, the board approved the minutes of the June 15 meeting. Chairman Dougall next noted he received a letter of resignation from Jean Bowen, who is leaving her post with the Elderly Housing Committee. Mr. Dougall said Shirley M. Cowell had expressed interest in serving on the commission, and thereby the board unanimously agreed to appoint Ms. Cowell to the Elderly Housing Committee. Thomas T. Crowley was also unanimously appointed to serve on the Tree Planting Committee.

Under the Department of Public Works weekly report, Mr. Dougall read a memo from Superintendent Robert C. Zora advising them of ongoing work being done around town in preparation for the July 4 holiday. Mr. Zora also noted that the DPW is continuing its quarterly meter readings and briefly updated the board on lead and copper testing in the Marion water supply.

Mr. Zora also recommended that the Board of Selectmen award the low bid to Bristol/Plymouth Contractor, Inc. for extension work to provide water service to the new elderly housing complex on Mill Street. The board unanimously agreed to award the low bid of \$32,500 to Bristol/Plymouth County as Mr. Zora recommended. The work specified should begin within a few weeks, according to Chairman Dougall.

Chairman Dougall next noted incoming correspondence from Continental Cablevision regarding the pending cable deregulation act which is about to take effect. According to Selectman

Winters, the letter simply states that the government is again dragging its feet and is far from organized in getting the bill put into effect.

The board next agreed to appoint four members to the recently formed Water Review Committee, which has been established as an advisory board to look into the quality of the town's drinking water. Although they originally agreed to appoint only three people from the general populous, they decided that a fourth even member wouldn't make any difference in an advisory capacity.

"I don't really see any key votes coming out of the committee where they'll need to have an uneven number," said Selectman Winters. "They're strictly an advisory board and I would recommend appointing all four to the committee."

The board appointed the following residents who expressed interest in serving on the board: Tyler H. Blethen, Lewis Street; William S. Harrison, III, Front Street; Janice M. Mendes, Water Street; Donald Torres, Dexter Road. They will join the following municipal officials to round out the committee: James Dougall, Loretta Schaefer, Albert Winters, Davis Gallison (Board of Health), Carlos Ribeiro (FinCom), and John Farnham (Water Rate Study Committee).

Selectman Winters next noted that about 25

names were submitted in the contest to name the new elderly housing complex. Mr. Winters advised that each member of the board select five names, in order of preference, and from this batch they will submit a final list to the contractors for selection.

At 7:20 pm, Maurice Smith came before the board to discuss pending betterments on Ichabod Lane. Mr. Smith briefly outlined the situation to date, beginning with the July 1, 1991 submission of a petition by the residents of the street for repairs to be done to the road. In May 1992, the Town Meeting approved \$75,000 to repair the road, which was accomplished between October, 1992 and June, 1993. Since the time of the original petition, one resident has combined four lots into one, which is causing a problem in assessing the betterment to residents, since he now only has to pay a single share of the betterment.

"We, the citizens, are borrowing the money for this project," said Mr. Smith. "Shouldn't we be

allowed to decide how we can pay it back?"

Mr. Smith argued that the town has violated its own by-laws (Article 23, Section C and D) and the state's General Laws (MGL Chapter 80, Section 2) by deciding to assess the betterment by the number of lots now abutting the street. "If you are going to go by the number of lots, you must go by the number of lots on the street when the petition was first submitted," he said.

At the time the petition was submitted for inclusion on the Town Meeting warrant, there were 31 lots on the street — only 26 of which were deemed buildable. But there has been a great deal of confusion as to whether the interpretation at the time was of "lots" or "buildable lots." Clearly, Mr. Smith felt these decisions should have been made prior to the approval of the Town Meeting article.

The board, in previous discussions on this issue, decided to hold a public hearing on September 14 at 7:30 pm in the Selectmen's office — notice of which was mailed to all Ichabod Lane residents on June 16.

But Maurice Smith pressed the board to make a decision on the matter that night and not drag it on any further.

"We would like to know once and for all how we are going to pay for this road," he said. "I believe if you look up the law, it will specify that the Selectmen had 90 days to make these decisions after the first petition was submitted ... not wait until the road was built."

Another Ichabod Lane resident, Chester Smith, also voiced his opposition to the board's

delayed response on the matter. "I think it should be pointed out that the people who are going to benefit the most are the people who live at the end of the road," he said. "There's nobody trying to 'stick it' to anyone here. Every one I've talked to has agreed it should go by foot frontage as was originally decided by the majority vote."

Selectman Schaefer advised those present that this wasn't a hearing and shouldn't be conducted as such. "Not everyone is present tonight to speak on their own behalf," she said. "We were trying to be generous in scheduling a hearing in September to allow everyone time to prepare a well-documented case."

Selectman Winters agreed, and asked that further information be provided prior to the public hearing as to how many lots were on the street at the time of the petition, and which were deemed buildable or not.

Richard Roszkiewicz, also of Ichabod Lane, stressed that he refused to pay his next tax bill until the board makes a decision on the betterments. When asked about the next quarterly bill, Chairman Dougall said he would be eligible for a rebate. "I'm not asking about a rebate on my taxes, because I refuse to pay them until you make a decision on

this," Mr. Roszkiewicz said. "It's my understanding that the next quarterly tax bills will be going out on August 1 and due September 1. I'm not paying to support someone else's property."

The board finally put the matter to rest for the time being, and reasserted that the matter will be resolved at the September 14 Public Hearing.

Under incoming correspondence for the week, Chairman Dougall noted to following items of interest:

- A letter from Donald E. Powers of Delano Road regarding the recent matter of his Rotweilers as brought to the board's attention by Mary Muse and her son, James. According to Mr. Powers, the

Muse family and he have had long standing legal battles. He wished to correct some misinformation about the incident with his dogs and asked that the board keep these in mind when considering future complaints of this sort.

"I request in the future that this history be taken into consideration should complaints of other natures be brought by the Muses," he wrote. "If you had called me at the time of the meeting, it would have provided me with the opportunity to provide my side of the incident before the Muses' statements appeared in the press."

- Letter from Concerned Parents of Fairhaven, advising them that Hands Across the River will hold their monthly rally against the EPA's current decision to incinerate PCB's in the New Bedford harbor on June 27. The board was cordially invited to attend the rally.
- General information and a letter from Rep. William Straus about the PCB incineration in New Bedford.
- Notice from the Department of Environmental Protection that they have relocated their office to the Lakeville Corporate Park, just across Route 105, and inviting the board to attend an Open House on Wednesday, June 30 from 1:00 to 5:00 pm.

There being no further matters to come before the board, they adjourned at 7:50 pm.

meeting and minutes of the Executive Session held on June 2, the board began by authorizing the following transfers as per the request and recommendation of Finance Committee Chairwoman Patricia Ryan:

- \$1,478 into the Building Inspector's account to the department to finish out the fiscal year. The department's account balance prior to the transfer was \$55.44.

- \$1,161.68 to pay for an outstanding bill for legal services with Kopelman and Paige, P.C.

- \$125 to pay for repairs and maintenance of War Memorials in town.

The board unanimously passed all three transfers.

Next on the agenda was a meeting with Frederick W. Underhill, Jr., who came before the board to discuss the Marion/Mattapoisett/Rochester Housing Co-Op and a transfer of land within his family. First up, Mr. Underhill informed the board that the housing co-op was recently granted another \$45,000 in funding for their Soft Second Loan Mortgage program, which — together with remaining funds — should provide funding for another 6 or 7 first-time home buyer mortgages.

Mr. Underhill noted that the co-op is now working at getting the minimum income

requirement of \$33,800 per family increased to allow more families to benefit from the program.

Mr. Underhill then requested permission from the board to transfer a piece of forest property he owns to his son. Since this is an in-family transfer, it didn't require the approval of the Planning Board and the Board of Selectmen unanimously approved Mr. Underhill's request.

The board next held two pole hearings, one for a pole on High Street westerly of Brooks Hill Lane, which will provide new service to a cranberry bog, and another on Quaker Lane easterly of the Acushnet/Rochester town line, also for a new service to a home being built on the town line. There being no abutters present to object, the board unanimously granted permission for installation of the two new poles.

Chairwoman Hawkes next went over incoming correspondence for the week, beginning with a letter of interest from William Towers of 22 Hiller Road, who wished to express his interest in

serving on the Conservation Commission. The board said they would take his application under advisement.

A copy of a letter to Rep. Barney Frank from Regional Sanitarian Karen E. Walega was next submitted for the board's perusal. The letter was in support of Rep. Frank's efforts to oppose the incineration of PCB's in New Bedford harbor.

The board next received a check from SEMASS in the amount of \$126,607.96 for the month of May, representing 64,268 tons processed during that period.

Copies of two letters sent to Police Chief Walter V. Denham and Fire Chief Joseph Clapp, respectively, from Old Colony Regional Vocational Technical High School were next sent to the board. The letters expressed appreciation to both town departments for their exemplary work throughout the school year in providing emergency patrol, medical and fire service to the facility. Selectman Hughes asked that each letter be posted in the respective departments for all members to read.

Building Inspector Robert Francis next submitted a request to the board to seek legal counsel on an interpretation of a by-law. Barring Selectman Hughes' request that Mr. Francis provide further details on the matter, the board unanimously approved the request.

John Duryea of 12 Coombs Road next submitted a letter expressing his interest in serving on the Industrial Development Finance Authority (IDFA). Selectman Hughes said he knew Mr. Duryea and would recommend appointing him to the IDFA. Chairwoman Hawkes agreed and Selectman Murphy said he, too, would go along with his fellow board members' recommendations. The board thereby unanimously appointed Mr. Duryea to the IDFA.

At 7:30 pm, Chairwoman Hawkes called for the opening of the bids for Stone Seal and Sand Seal upon the request of the Highway Department. The department had bid out various road repaving projects for the upcoming months. The following bids were received and noted:

- Able Contractors, Inc. — \$1.15/square yard (1/2 inch and 1/4 inch stone)
- Cuts & Liquid Asphalt, Inc. — \$1.18/gallon (MC200 and MC500, premixed)
- Allstate Asphalts, Inc. — \$1.174/gallon (premixed).

The board unanimously agreed to take the bids under advisement and await the recommendation of Highway Surveyor Jeff Eldridge before awarding the bid.

The board next considered the appointment of Bruce Maksy to the ORR Capital Improvements

"I would suggest we wait and find out whether the ORR (Ad Hoc) Committee is still intact," he said. "If so, I have no objections to appointing him."

The board next unanimously agreed to appoint Sean Joyce as a full-time patrolman with the town Police Department. Mr. Joyce will be attending the next session of the police training academy and his full-time status will take effect upon his entrance into the academy on Monday, June 28.

The board next granted a special permit to SEMASS, allowing them to make solid waste deliveries on all Monday holidays except Christmas, New Year's, Easter and Fourth of July. The special permit is effective through June 30, 1994.

Under Old Business, the board received two letters regarding the Conservation Commission — the first from Kevin Cassidy who expressed interest in serving as a full-time member of the ConCom.

A second letter was submitted from Georgia Chamberlain, expressing her interest in remaining on for one year as Chairwoman of the ConCom so she might complete her work in putting the newly-

established Regional Conservation Agent in place as a shared venture with Marion.

Selectman Murphy said he would like to see Ms. Chamberlain remain in an advisory capacity on the ConCom and would rather let someone new like Mr. Cassidy have a chance at serving on the commission. "I think Kevin Cassidy should be allowed a chance to take over now and learn the ropes," he said.

Mr. Cassidy then came before the board and met with them briefly. He is currently an alternate on the ConCom and resides in Wareham, but will be moving to Rochester within three weeks. Mr. Cassidy has extensive experience in conservation issues and presently works as a civil engineer with the state. Selectman Hughes moved to appoint Mr. Cassidy to the ConCom for a three-year term effective through April 30, 1996. The board unanimously approved the motion.

At 7:50 pm, the board met with Mr. Dennis Dufresne to present him with a commendation for his heroic efforts in rescuing Ms. Chong-Yee Chang from a burning vehicle before it exploded on June 4. Present were members of Mr. Dufresne's family and Ms. Chang and her family. Ms. Chang's daughter-in-law expressed her heartfelt thanks to Mr. Dufresne for saving her mother-in-law's life. "If there's anything you need, let us know," she said. "We are very grateful for what you've done."

Highway Surveyor Jeff Eldridge came before the board next to discuss pending repairs to the Mary's Pond Road bridge. Mr. Eldridge explained that the bridge is in desperate need of repair as the stone slabs running across the expanse of the bridge

Five-Year Fixed Rate Home Equity Loan

Home equity loan rate forecast: Area hit by record lows.

The climate is right for a home equity loan from Citizens Bank. Because with rates this low, it's a perfect time to use the equity in your home for home improvements, bill consolidation, or whatever you need.

What's more, a home equity loan can give you substantial tax benefits that you'll want to discuss with your tax advisor.

Save by refinancing, too. If you already have an outstanding balance on a home equity loan, you may want to refinance with Citizens and save money on your monthly payment.

Choose your terms. Citizens offers home equity loans with attractive fixed rates and flexible repayment terms up to 15 years. Or, ask about our variable-rate home equity credit line, which offers an attractive rate now, too.

**Fixed Rate
Five-Year Term*** **24-hour loan approval.** To apply for your loan, visit any Citizens branch or call our Homeowners Loan Line at 1-800-734-8444, and we'll approve your loan within 24 hours, subject to qualification and satisfactory appraisal and title search. So throw on something warm and stop by Citizens Bank, because record lows are here.

There's Never Been A Better Time For Citizens.

are separating and the gravel fill he has been using to plug up holes in the surface is falling through.

"It's to the point now where it's unsafe and we're in danger of getting sued," he said. "It's been like this for awhile and I've tried to patch it as best I could, but we need to make it safe and passable."

Mr. Eldridge said that as of Wednesday, June 23, the portion of Mary's Pond Road from Clapp Road to just beyond the bridge will be closed until the repairs can be done.

The board, together with FinCom Chairwoman Pat Ryan, discussed planning a Special Town Election to appropriate the money to repair the bridge. Ms. Ryan recommended a debt exclusion article for one year and to make sure it doesn't exceed a certain amount. "I would say it should not exceed \$100,000 and you can then write the specs and send out for bids," she said.

Selectman Hughes also asked whether Rep. William Straus and Sen. Marc Pacheco could be contacted just to see if any funds are available for road repairs. Barring their response, he agreed something had to be done as soon as possible.

Mr. Eldridge also advised the board that he needs to free up an appropriation of some \$124,000 in state aid at the next Special Town Meeting. "This is the second half of Chapter 90 monies and I would like to start working on some of the roads that were hit hard this winter," he said. "I don't want to be pushing for all these special meetings and elections, but I'd like to fix North Avenue and Hartley Road before the fall."

The board unanimously agreed to hold a Special Election to consider the debt exclusion

There being no further matters to discuss, the board adjourned at 8:50 pm.

Correction

• In our June 18 issue (Volume 2, Number 24), we incorrectly cited W. David Kingsley as the person responsible for starting the Marion-Bermuda Boat Race. It was, in fact, W. David Kingery. We apologize to Mr. Kingery for the error.

Words of Appreciation

The Marion Mothers Club would like to thank all who so generously gave of their time and support to make the First Annual Marion Craft Festival a successful fundraiser. The proceeds from the fundraiser will fund the Marion Mothers Club Annual Scholarship Award and help aid the Marion VFW EMS Ambulance Fund, Marion's Elizabeth Taber Library Air-Control Fund and a new book will be donated to the library in celebration of each birth of a new baby born to a club member.

More needy programs are being discussed and we look forward to your future support at our

Designer Kitchens By Angela is excited to welcome **Eric Kavanagh, C.K.D.** as our new Design Associate.

When I first met Eric, the clean, creative and imaginative qualities of his designing impressed me greatly. Eric is also very thorough in all of his work. A certified kitchen designer, Eric attends all the manufacturers own training shops and the Kitchen and Bath Shows that are offered.

I asked Eric what he liked most about working in the kitchen business. He said that he loves designing and working with people who are excited. The enthusiasm makes the designing pleasure rather than work.

Eric's qualifications include a Bachelor of Science Degree in Architecture and eight years of Kitchen Business experience. This background has enabled him to integrate value, creativity and the life-style of the clients in his design work. To put it quite simply: Eric loves the challenge of transforming the "ugly duckling" (previous kitchen) into the beautiful swan. He has designed and redesigned kitchens, bathrooms, laundry rooms, office space, bedroom built-ins, wet bars, specialized storage systems, and additions.

Eric Kavanagh is anxious to talk to you about kitchens and designing. Stop by to meet him at **Designer Kitchens - 92 North Street, Mattapoisett**. See for yourself how creative his designs are. Enjoy the assurance of his enthusiasm, knowledge and ease of manner. You will feel most comfortable with him.

Let Eric help you transform your "ugly duckling" into a Beautiful Swan or your "Dreams into Reality."

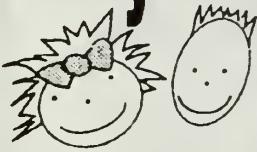

Sincerely

Angela Dearing

Who's Who IN THE BUSINESS WORLD

Divorce Mediation

What is Divorce Mediation?

Divorce mediation is a way for couples seeking a divorce to avoid a costly, time-consuming, and often bitter courtroom battle. It's a process in which separating couples work together with the assistance of a professional mediator to privately and peacefully settle their differences and arrive at a mutually satisfactory agreement concerning all aspects of their divorce—including property division, child custody, support allowances, right down to who gets the dog. The mediator, trained in divorce resolution and negotiating skills, supports both parties in their efforts to reach an informed and fair settlement agreement.

How does mediation work?

The mediator and the couple initially meet together to establish ground rules and set an agenda for their upcoming sessions. A typical mediation would then take place through a series of approximately six two-hour meetings, where the issues established in the initial session are discussed between the couple and the mediator. Differences are aired, and various settlement options reviewed and discussed by the couple, while the mediator works to insure that a fair and positive result is realized by both parties. Once an agreement is reached, the mediator then drafts a summary of the terms of the settlement. This agreement, along with a joint petition for divorce, is then submitted to the Probate Court for review and inclusion in the couple's divorce decree.

What are the benefits of divorce mediation?

- * **IT SAVES MONEY:** Divorce mediation is typically far less costly than divorce litigation. A litigated divorce often costs in excess of \$10,000, while mediation averages about \$1,500.
- * **IT SAVES TIME:** A litigated divorce may take a year or more to conclude. A divorce mediation may take place in as little as two months.
- * **IT'S PRIVATE:** Mediation is a private method of dispute resolution which avoids airing your personal problems at public hearings.
- * **IT'S FAIR:** The mediator intervenes neutrally to preserve the rights and interests of both parties involved.

The Mediator

Peggy W. Fellouris, M.A. Ph.D. is a licensed Marriage and Family Therapist and a trained domestic relations mediator. Educated in Mass. and California, Dr. Fellouris received mediation training from Divorce Mediation Training Associates of Cambridge and advanced training from Dr. Eva Brown, Mediator, Amherst. Dr. Fellouris is a member of Mass. Council on Family Mediation, APA and NASW. Attorney William Brissette is available to offer on the spot legal advice as Dr. Fellouris deals with the positions of the two parties and their emotional investment in the divorce. Her office is located at 1290 Rockdale Ave., New Bedford. Call her at 992-2939 for more information on the mediation process.

* IT REDUCES CONFLICT & BITTERNESS:

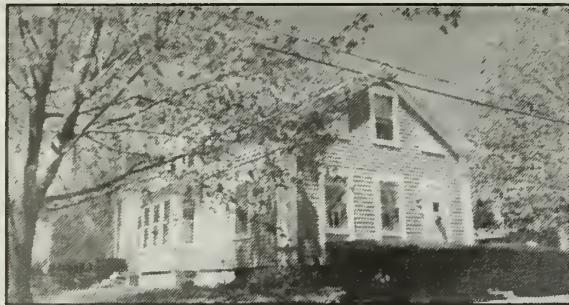

Mediation promotes communication and cooperation between the divorcing parties. It is also beneficial to children, creating an environment in which conflict and tension between the parties are greatly reduced.

* IT'S EFFECTIVE:

Agreements reached by the parties themselves are much less likely to be broken — thereby decreasing the chances of returning to court.

Is mediation for everyone? No, but mediation can be an effective, fair and peaceful way for a couple to reach a divorce settlement, if the couple is willing to honestly commit themselves to the mediation process, and to maintain respect for each other's rights and personal dignity throughout the process.

Adoptable Animals

"New Kids on the Block"

Time for another weekly installment of Adoptable Animals brought to you by the wonderful folks at Animal Umbrella, Inc. and *The Wanderer*.

Due to last week's report, the ever-busy members of Animal Umbrella were able to place three triple tabbies, one long-haired buff-colored male, and one short-haired black & white male.

Now appearing: the New Kids on the Block, including...

- two males — both with short hair and black & white
- two all-black short-haired cats, one with double paws
- two beautiful long-haired fluffy sisters — one black & white, the other mostly white with some grey patches
- ten-week-old calico, mostly white with grey and tan patches
- orange & white fluffy male, an all-orange tiny female with short hair, and a very petite long-haired tiger (all three are very healthy and playful and are just waiting to be adopted).

The group's mother cat is going to be spayed this week and needs a good home to recuperate. She is a young black & white with short hair.

For the dog lovers: a 100 pound rottie shepherd who make for a good guard dog is available. He is great with kids and other animals.

If you are interested in adopting any of these available animals, please call either of our local Animal Umbrella representatives — Mary Lou Kobak at 758-9202 or Priscilla Thompson at 758-2896. We also encourage anyone interested in volunteering their time or efforts to this great cause

to call either number and pledge your support.

The group would also like to remind everyone that the Kmart in Fairhaven is once again offering a FREE cup of coffee to anyone who donates money or items to their cause. The group can always use food, litter, sheets, towels, and the like. There is a barrel at the front of the store for collection of these items and, of course, the group's Coke bottles where donations may be made.

A special thanks to all who have contributed thus far.

Woman's Club Announces Scholarship Winners

The Mattapoisett Woman's Club is pleased to announce the following recipients of their 1993 Annual Scholarship Awards:

Narissa Malcolm (Salve Regina University); Jenny M. Bratby (University of California - Irvine); Christine Ann Reed (University of New Hampshire); and a re-entry scholarship was awarded to Christine Whalen Ketchel (Bristol Community College).

Mattapoisett Resident Awarded CG Document

Mr. Daniel C. Lee III of Mattapoisett was recently awarded a U.S. Coast Guard Able Seaman/Lifeboat document. The ratings authorize Mr. Lee to perform the duties of a crewman on vessels of unlimited tonnage and to take charge of a lifeboat.

To earn the ratings, Mr. Lee was required to pass a half-day examination by the Coast Guard in Boston. He prepared for the test by completing an exam-prep course at Northeast Maritime in New Bedford.

Mr. Lee is a graduate of Old Rochester Regional High School and has worked on New Bedford fishing vessels for 8 years. He most recently was employed on board the Fishing Vessel Ambassador out of Fairhaven.

Marion Horse Show

Plans are being completed for the 45th Annual Marion Horse Show to be held on July 5 at Washburn Memorial Park, just off Route 195 in Marion. According to Ms. Kathleen Haarala, President of the Marion Horse Show Committee, this year's show should prove to be one of the most popular and certainly the outstanding attraction in this area. Beginning at 9:00 am and continuing until late afternoon there will be 70 equestrian events in two rings, attracting participants from all over New England. Also, during the lunch break, a special dressage demonstration by Julie Cassels will take place.

As part of the Horse Show, a mini-Midway will be featured with games of skill and chance, rides for the children and the ever-popular punchboard with its many prizes. Food and refreshments will be available. Raffle tickets will be on sale for the grand prize of \$300, plus over 25 valuable prizes donated by local merchants and businesses.

Everyone is invited, both young and old, for what has proven to be the most interesting and exciting day for the whole family. There is a full day of festivities in Marion, starting with a parade at 9:00 am, the Horse Show, a Band Concert at 8:00 pm at Island Wharf, and fireworks at Silver Shell Beach.

Mattapoisett Wharf Square Dances

The 44th Annual Season of Square Dancing at the Mattapoisett Town Wharf will begin on Saturday, June 26. Dancing will be from 7:30 pm until 10:00 pm for the entire season. Lori Morin will be calling the first dance and Tom Daley will be cueing the rounds. The first dance is sponsored by the American Legion Auxiliary.

All dances are open to the public at a cost of \$3 per dancer. The level is mainstream. In the event of rain, dances will be held at the YMCA Youth and Family Center on Reservation Road in Mattapoisett. Please note: this is a new location from previous years. It is an open air pavilion that should provide a more comfortable environment for dancers. The public is welcome to attend and there is no charge for viewers. recently declared champion of the South Coast Conference for the 1992/1993 school year. This League championship is based upon the overall win/loss percentage for the entire year. The school had first place finishes in Girls' Cross Country, Boys' Basketball, Girls' Winter Track, Boys' Spring Track, and Girls' Spring Track. The school's interscholastic record for the year was 130 victories, 72 losses, and 7 ties. Fall teams were 33-33-6; Winter teams were 37-18-1; and Spring teams were 54-21. Principal James R. Egan offered congratulations to the coaches and athletes of all the teams.

Boys Spring Track All Stars

The following ORR athletes were recently

named 1993 South Coast Conference Boys Spring Track All Stars:

Chris Gerrior (Pole Vault); Myles Eldridge (Long Jump); Ed Xavier (4x4); Brian Campbell (4x8); Kevin Thompson (300 Hurdles); Andy Morse and Ken Rea, both seniors, received Honorable Mention.

Globe Troupe to Open Summer Season

The Globe Theater Troupe, Inc. will return to the Rochester Woman's Club for its sixth year of production with Clifford Odets' "Awake and Sing," directed by Santiago Gonzalez. The Troupe's summer season is opening on July 9, a month later than usual. "Awake and Sing" will run for six performances on Friday and Saturday night at 8:00 pm, July 9-10, 16-17, and two Sunday matinees on July 11 and 18 at 2:00 pm.

The theater is located at the Rochester Woman's Club, 23 Marion Road (Route 105).

"Awake and Sing" is the first play of Clifford Odets, controversial playwright of the 1930's. The

story drops us down into the lives of the Berger family of the Bronx, NY for two visits, a year apart. Perhaps audience members will see a bit of themselves in Bessie, Myron, Jacob, Hennie, Ralph, and Moe Axelrod as they try to handle life as it is dealt out to them.

Appearing in the production are Susan Shaw of Marion, Scott Ventura and Stephen Gonchar of New Bedford, Sarah Aldrich and Paul David Gibbs of Rochester, Vincent J. Myette and Mort Maser of Falmouth, Jack Oliver of Dartmouth and Eric Streimer of Buzzards Bay.

Again this summer, the Globe Theater is presenting its Dinner and Theater Combination in conjunction with the Rochester Country Kitchen. Although the evening dinner on Friday and Saturday nights remain the same (with service beginning between 5:30 and 6:00 pm), this year the dinner for the Sunday performances will be held after the show at approximately 4:30 pm.

This year's entree selections include Fried Chicken dinner or Fish and Chips. The meals include complete entree with potato and vegetable, soft drink or bottomless cup of coffee, and chocolate cake for dessert. Gratuity is included. Alcohol is not included with the meal, but drinks are being served downstairs at the Old Ruggles Inn both before and

and Agriculture, announced the appointment of Rep. William Straus (D-Mattapoisett) as Chairman of the Subcommittee on Fisheries. As Subcommittee Chairman, Rep. Straus will conduct oversight review of state fisheries and shellfish management issues as may commence further public hearings on legislation pending before the General Court.

"Rep. Straus has a working knowledge of many fisheries issues based upon his district's location on the Port of New Bedford. I believe he will be a valuable resource to the subcommittee in taking on these matters for later consideration by the full committee," said Rep. Angelo.

Now pending before the full committee are bills dealing with lobstering practices, resource population growth and depletion, shellfish protection, and bed monitoring, enforcement proceedings, and fishing infrastructure.

"I appreciate the opportunity to better serve my district in chairing this subcommittee," said Rep. Straus. "The fishing industry based on New Bedford harbor is a fundamental component to the economy of Fairhaven and the region. Although many of the problems facing the industry are the result of flawed federal restrictions, I hope I can provide help on state matters which affect fisheries."

Rep. Straus is serving his first term in the House, representing Fairhaven, Mattapoisett,

St. Gabriel's Church — Marion

On Sunday, June 27, there will be Holy

Communion at 8:00 am in the Chapel and Morning Prayer combined with Holy Communion at 10:00 am in the Church. At the conclusion of the first service a farewell coffee hour in the Parish Hall will honor Bill Bridges and his wife, Jane, who are moving to Dorset, Vermont. Mr. Bridges has served the church in many capacities including serving on the Vestry, acting as treasurer and, currently, leading the parish as Senior Warden. His experience and talents will be missed.

On Independence Day, July 4, the parish will celebrate with Holy Communion at both services

(8:00 and 10:00) at St. Gabriel's.

Marion Fourth of July Parade

The Marion Fourth of July Parade Committee of the Benjamin D. Cushing Post 2425 VFW has announced that the town's annual Fourth of July celebration is already in the works.

The parade will form at 8:00 am on Monday, July 5 in the field behind the Marion Town House. There will be 12 classifications in the parade: Color Guard/Men; Color Guard/Women; Civic Vehicles; Antique Vehicles; Most Original; Horse Back/Horse Drawn; Most Historical; Civic Group; Family Group; Commercial Float; Antique Fire Engine.

The Grand Prize for the "Best in the Parade" will be \$100. Second prize will be \$75 and third prize will be \$50. Trophies will be awarded in each class for First and Second place and ribbons will be presented for each class in Third and Fourth place.

Applications and parade instructions are available at the Town House, Sippican Shop, and Washburn Electrical Company. For further information, please call 748-0238.

ALTERNATIVE EDUCATION

Parents, Teachers, Others . . .

The Sudbury Valley School in Framingham is a democratic alternative school celebrating its 25th anniversary this year. Students and staff share responsibility for the school community, while students are responsible for themselves and their education. After 25 years, we know the theory works.

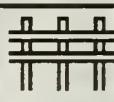

I want to create a school in our community based on this model. I am a former student who wants the same environment for my daughters, and for all children. If you are interested in learning more, please contact me. I have lots of information to share.

Mattapoisett Council on Aging Swansea Mall

The senior van will be going to the Swansea Mall on July 8 instead of the following week. If you are interested, please call the Mattapoisett COA office at 758-4110. The van will leave Village Court at 9:30 am and St. Anthony's at 9:40 am.

Falmouth Playhouse

The Falmouth Playhouse trip to Nunsense II has also been changed. The date is now July 15. The van will leave Village Court at 12:20 pm and St. Anthony's parking lot at 12:30 pm. This trip is no longer open to any new people. Tickets are already paid for and will be available on the bus that day.

Holiday Closing

On July 5, the Mattapoisett COA office will be closed for the July 4 holiday. It will re-open on Tuesday (July 6) at 8:30 am.

Summer Hours

Beginning June 28, the Mattapoisett COA will be open at 8:30 am until 11:30 am.

Rochester Council on Aging Friends of the Rochester Senior Center

The Friends of the Rochester Senior Center are planning to again have a "Granny's Attic" sale table at the Annual Congregational Church Fair in September. If you have any items to contribute (no clothes, please), you can drop them off at the Center, the COA office, or call Marie at 763-8723, and a "Friend" will arrange to pick them up. All proceeds will be used to help support the Center.

SHARE Distribution

The Rochester SHARE Distribution Day for the month is June 26 at the Town Hall. Participants need to bring their cash receipts and signed community service slips as well as a good-sized, sturdy box to hold your order. Food must be picked up at this time. The site closes at 1:00 pm and unclaimed food packages will go to food kitchens in the area. There are no refunds.

Summer Events

Summer offerings at the Marion Art Center include Drawing and Painting for older kids serious about art, taught by Andy Anderson; Summer Theater classes, Grades 4 - 7 with Jessica Shepardson; Basic Fingerstyle Guitar for Beginners, taught by Joe Scott; and Drawing and Watercolor for Adults, John Murphy, instructor. Private lessons in piano, voice and recorder are also available by appointment. For information about these and other classes, call 748-1266.

Hands Across the River Benefit Dance

Hands Across the River Coalition is sponsoring a Benefit Dance Concert on Friday, July 2 from 8:00 pm to 1:00 am at Standing Room Only located on Coggleshall Street on the New Bedford/Fairhaven line. Entertainment will include music by "Souled Out," a Motown-jazz band and "7th Heaven," which plays contemporary rock. Advanced tickets are \$5 and can be obtained by calling 992-7588. Tickets will be sold for \$7 at the door the night of the show.

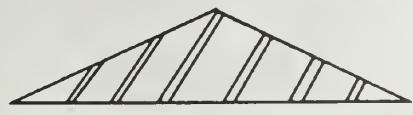

The purpose of this benefit is to help raise awareness about the questions of health concerns and the potential environmental dangers that the proposed burning of PCB's and toxic waste poses for the greater New Bedford area and its residents.

Old Colony Regional Voke

Freshmen Visit Nursing Home

Twenty-eight freshman students from Old Colony in Rochester completed a year-long pen pal letter exchange with the residents of Alden Court Nursing Home in Fairhaven with a visit on June 9.

Both the Old Colony students and the Alden Court residents were nervous about meeting each other after six letter exchanges over the past school year. However, each group was happy to discover that they had much to talk about and learn and each enjoyed sharing their thoughts.

The Old Colony pen pal exchange was part of Jo-Anne Charette's English curriculum for freshman letter writing.

Admissions Still Accepted

Late applications are still being accepted for the September 1993 freshman class at Old Colony Regional Vocational Technical High School. Any eighth grade student whose parents are legal residents of Acushnet, Carver, Lakeville, Mattapoisett, or Rochester is eligible to apply.

Old Colony offers not only a high school diploma but also vocational certificates in Culinary Arts, Drafting, Computer Information Technology, Cosmetology, Health Careers, Machine and Tool Technology, Welding, Automotive, Electrical, Electronics, Carpentry, and Offset Printing. Freshman students participate in a twelve-week exploratory program beginning in September.

Application forms are available in the guidance offices of area middle and junior high schools or directly from Old Colony (476 North Avenue, Rochester, MA 02770, Tel. 763-8011). Anyone desiring further information should contact Janice

Book Review

The Angel Carver

• **Rosanne Daryl Thomas, Random House, \$20**

Here's a lyrical, intelligent modern-day fairy tale.

Jack Standini, the shoe man, simply drifted into his career. Serendipitously, an Italian shoe repairer with no sons to whom he could pass his legacy trained Jack and left him his tools. Jack discovered he was a gifted craftsman, able to do magic with his hands. He opened Reliable Repair and became the best repairer around, married a lovely, winsome woman named Angela and settled down to a happy, storybook life.

Unfortunately, this was not the course his life would take.

One day, his bride descended the steps of their subway station in Brooklyn and vanished without a trace. The shoe man could neither mourn her death nor despise her for abandoning him. Instead, he was left wondering and haunted, obsessed with his loss. Angela remained frozen, a beautiful memory. He kept it tucked away, a reminder of what his life could have been.

The story moves nimbly and quirkily, with poignance and wit, from event to event, building interest and excitement with each page, with a crescendo at its ending.

Despite a few minor flaws, the book is delightful. In *The Angel Carver*, Rosanne Daryl Thomas deftly incorporates elements of Faust, Pygmalion, and Monroe legends. But in the end, she comments on art, friendship, love, and life in a way that is unique and fresh.

Economic Development District (SRPEDD) announced the completion of its *Water Rate and Conservation Study*. The study is based on a survey conducted in the fall and winter of 1992-1993 of the 22 water departments and districts in the SRPEDD area. The published report is now available to the public.

The study contains a table comparing the costs for residential water use in each of the 22 water departments and districts. It is based on a "typical" household use of 8,500 cubic feet per year. It also presents a table comparing the water conservation measures of the various departments.

A total of 12 departments and districts stated they had water conservation plans. The most popular conservation measures were public education and restriction on outdoor watering during peak demand.

The 50-page study contains the details of all the responses, including water rates charged for residential and commercial customers, special fees and development charges and conservation measures. It also contains a large (two by three foot) aquifer protection map of the SRPEDD district.

To order the *Water Rate and Conservation Study*, call Anne Dufesne at SRPEDD at 824-1367. The study costs \$10 plus \$3 postage and handling.

Notice from the Marion Water Department

(1) Introduction:

The United States Environmental Protection Agency (EPA) and the Marion Water Department are concerned about lead in your drinking water. Although most homes have very low levels of lead in their drinking water, some homes in the community have lead above the EPA action level of 15 parts per billion (ppb), or 0.015 milligrams of lead per liter of water (mg/l). Under Federal law, we are required to have a program in place to minimize lead in your drinking water by June, 1996. This program includes corrosion control treatment, source water treatment and public education. If you have any questions about how we are carrying out the requirements of the lead regulation, please give us a call at (508) 748-3540. This booklet explains the simple steps you can take to protect you and your family by reducing your exposure to lead in drinking water.

(2) Health Effects of Lead:

Lead is a common metal found throughout the environment in lead-based paint, air, soil, household dust, food, certain types of pottery, porcelain and pewter and water. Lead can pose a significant risk to your health if too much of it enters your body. Lead builds up in the body over many years and can cause damage to the brain, red blood cells and kidneys. The greatest risk is to young children and pregnant women. Amounts of lead that won't hurt adults can slow down normal mental and physical development of growing bodies. In addition, a child at play often comes into contact with sources of lead contamination—like dirt and dust—that rarely affect an adult. It is important to wash children's hands and toys often and to try to make sure they put only food in their mouths.

(3) Lead in Drinking Water:

(i) Lead in drinking water, although rarely the sole cause of lead poisoning, can significantly increase a person's total lead exposure, particularly by the exposure of infants who drink baby formulas and concentrated juices that are mixed with water. The EPA estimates that drinking water can make up twenty percent or more of a person's total exposure to lead.

(ii) Lead is unusual among drinking water contaminants in that it seldom occurs naturally in water supplies like rivers and lakes. Lead enters drinking water primarily as a result of the corrosion, or wearing away, of materials containing lead in the water distribution system and household plumbing. These materials include lead-based solder used to join copper pipe, brass- and chrome-plated brass faucets, and, in some cases, pipes made of lead that connect your house to the water main (service lines). In 1986, Congress banned the use of lead solder containing greater than 0.1% lead and restricted the lead content of faucets, pipes and other plumbing materials to 8.0%.

(iii) When water stands in lead pipes or plumbing systems containing lead for several hours or more, the lead may dissolve into your drinking water. This means the first water drawn from the tap in the morning, or later in the afternoon after returning from work or school, can contain fairly high levels of lead.

(4) Steps You can Take in the Home to Reduce Exposure to Lead in Drinking Water:

(i) Despite our best efforts mentioned earlier to control water corrosivity and remove lead from the water supply, lead levels in some homes or buildings can be high. To find out whether you need to take action in your own home, have your drinking water tested to determine if it contains excessive concentrations of lead. Testing the water is essential because you cannot see, taste or smell lead in drinking water. Some local laboratories that can provide this service are listed at the end of this booklet. For more information on having your water tested, please call (508) 748-3540.

(ii) If a water test indicates that the drinking water drawn from a tap in your home contains lead above 15 ppb, then you should take the following precautions:

(A) Let the water run from the tap before using it for drinking or cooking any time the water in a faucet has gone unused for more than six hours. The longer water resides in your home's plumbing, the more lead it may contain. Flushing the tap means running the cold water faucet until the water gets noticeably colder, usually about 15-30 seconds. If your house has a lead service line to the water main, you may have to flush the water for a longer time, perhaps one minute, before drinking. Although toilet flushing or showering flushes water through a portion of your home's plumbing system, you still need to flush the water in each faucet before using it for drinking or cooking. Flushing tap water is a simple and inexpensive measure you can take to protect your

family's health. It usually uses less than one or two gallons of water and costs less than 16¢ or 32¢ per month on flushing one or two gallons, two times a day, for thirty days. To conserve water, fill a couple of bottles for drinking water after flushing the tap and, whenever possible, use the first flush water to wash the dishes or water the plants. If you live in a high-rise building, letting the water flow before using it may not work to lessen your risk from lead. The plumbing systems have more and sometimes larger pipes than smaller buildings. Ask your landlord for help in locating the source of the lead and for advice on reducing the lead level.

(B) Try not to cook with or drink water from the hot water tap. Hot water can dissolve more lead more quickly than cold water. If you need hot water, draw water from the cold tap and heat it on the stove.

(C) Remove loose lead solder and debris from the plumbing materials installed in newly constructed homes or homes in which the plumbing has recently been replaced by removing the faucet strainers from all taps and running the water from three-to-five minutes. Thereafter, periodically remove the strainers and flush out any debris that has accumulated over time.

(D) If your copper pipes are joined with lead solder that has been installed illegally since it was banned in 1986, notify the plumber who did the work and request that he or she replace the lead solder with lead-free solder. Lead solder looks dull gray and, when scratched with a key, looks shiny. In addition, notify your State Department of Environmental Protection about the violation.

(E) Determine whether or not the service line that connects your home or apartment to the water main is made of lead. The best way to determine if your service line is made of lead is by either hiring a licensed plumber to inspect the line or by contacting the plumbing contractor who installed the line. You can identify the plumbing contractor by checking the Town's record of building permits which should be maintained in the files of the Town of Marion.

(F) Have an electrician check your wiring. If grounding wires from the electrical system are attached to your pipes, corrosion may be greater. Check with a licensed electrician or your local electrical code to determine if your wiring can be grounded elsewhere. DO NOT attempt to change the wiring yourself, because improper grounding can cause electrical shock and fire hazards.

(iii) The steps described above will reduce the lead concentrations in your drinking water. However, if a water test indicates that the drinking water coming from your tap contains lead concentrations in excess of 15 ppb after flushing, or after we have completed our actions to minimize lead levels, then you may want to take the following additional measures:

(A) Purchase or lease a home treatment device. Home treatment devices are limited, in that each unit treats only the water that flows from the faucet to which it is connected and all of the devices require periodic maintenance and replacement. Devices such as reverse osmosis systems or distillers can effectively remove lead from your drinking water. Some activated carbon filters may reduce lead levels at the tap; however, all lead reduction claims should be investigated. Be sure to check the actual performance of a specific home treatment device before and after installing the unit.

(B) Purchase bottled water for drinking and cooking.

(iv) You can consult a variety of sources for additional information. Your family doctor or pediatrician can perform a blood test for lead and provide you with information about the health effects of lead. State and local government agencies that can be contacted include:

(A) The Marion Water Department at (508) 748-3540 can provide you with information about your community's water supply and a list of local laboratories that have been certified by EPA for testing water quality;

(B) The Town of Marion at (508) 748-3500 can provide you with information about building permit records that should contain the names of plumbing contractors that plumbed your home; and

(C) The Massachusetts Public Health Department at 1-800-445-1255 or the Marion Health Department at (508) 748-3530 can provide you with information about the health effects of lead and how you can have your child's blood tested.

(v) The following is a list of some State-approved laboratories in your area that you can call to have your water tested for lead:

Moonlight Canoe Trip

Enjoy a moonlit canoe trip on the Slocum River on Saturday evening, July 3. Guided by a nearly-full moon, Lloyd Center naturalists will lead the trip under a sky peppered with stars forming both familiar and unfamiliar constellations. Be prepared to hear the mystical howling of the coyote and to see the silhouette of the great horned owl as it flies silently in search of unsuspecting prey. Many things await participants on this night excursion.

The cost of the trip is \$18 for Lloyd Center members, \$22 for non-members. There is an additional charge of \$5 per person for canoe rental, but participants are welcome to supply their own canoes. Please pre-register for the trip by calling 990-0505.

Property Walk

Join the Lloyd Center on July 4 for a walk on the property with staff member Gardner Humphreys. This walk is FREE to all and presents a good opportunity to ask any questions about the Lloyd Center that you might have. This program is scheduled to run from 1:30 to 3:30 pm. Participants will be taking a closer look at the maritime forest which borders the estuary. So come join the Lloyd Center and find out where the forest meets the sea.

This event is FREE to all. Please pre-register by calling 990-0505.

Simply the Best Clambake

The Lloyd Center for Environmental Studies cordially invites you to "Simply the Best Clambake" on Thursday, July 8. The Lloyd Center Clambake is a down-east tradition complete with lobster, steamers, mussels, chowder and corn on the cob. There will be music, dancing, and cocktails while overlooking the beauty of Quansett Farm in South Dartmouth. By attending "Simply the Best Clambake," you will be supporting the Lloyd Center's education and research programs. So come enjoy a New England tradition done right. "Simply the Best Clambake" begins at 6:00 pm.

Tickets for this event are \$60 (\$30 tax deductible). Participants are required to pre-register for this event by calling 990-0505.

were 14,064 acres closed, with 2,558 closed or open, again based on rainfall. Rain events wash pollution into the bay, causing automatic, conditional closures until conditions recover to allow openings. Indeed, all 2,558 conditional acres were closed as of June 1 because of rains.

As of June 1, Mattapoisett witnessed the closure of 152 acres plus another 49 conditional. Marion closed 401 acres as of June 1.

Plantation.

The entire day will be filled with the hustle and bustle of excitement that a wedding always brings to a close-knit community. The Cooke family will begin their day preparing the bride-ale (wedding feast) which will be shared by their neighbors the Brewsters, Fullers, and Winslows.

At 1:00 pm, the Bride and Bridegroom will prepare for the wedding with the assistance of the Bridesmaid and Groomsman. This civil wedding service will be performed at the home of the magistrate, Edward Winslow.

At 2:00 pm, the party will gather in the Winslow's garden for the bride-ale.
